Zing Health is a fast-growing regional carrier on a mission to serve underserved communities through value-based care and innovative plan design.

With nearly half of all Medicare beneficiaries living with a chronic condition, it's no surprise we're experiencing transformational growth. With more than 68% of our members enrolled in a Chronic Special Needs Plan (C-SNP), we're a true leader in this space.

Our C-SNPs are designed to meet the unique needs of these members, offering tailored benefits¹ such as:

No cost continuous glucose monitor (CGM)
