

Agency Certification Guide

2025-2026

For an agency to become RTS with Zing Health for the 2026 plan year, two things must happen.

- 1 The agency must complete a required Agency Attestation. This guide walks through that process.
- 2 The Principal must complete Medicare Compliance + FWA training (AHIP) and Zing Health Product Certification. Please reference our [Broker Certification Guide](#) for assistance navigating this process.
